

# World Symposium on Ergonomic Implants

September 2017.  
Gardone, Lago Di Garda, Italy.

## Scientific Program

# World Symposium on Ergonomic Implants

**Date:** September 14<sup>th</sup> - 16<sup>th</sup>, 2017.

**Location:** Grand Hotel Gardone, Lago di Garda, Italy.

**Contact:** [info@motivaimplants.com](mailto:info@motivaimplants.com)

## Invited Faculty

- Ardeshir Bayat
- Chiara Botti
- Giovanni Botti
- Manuel Chacón
- Niamh Corduff
- Daniel Del Vecchio
- Josh Doloff
- Nimrod Friedman
- Randy Geissler
- Caroline Glicksman
- Alessandro Gualdi
- Dennis Hammond
- Yves Harder
- Per Hedén
- Radu Ionescu
- Brian Kinney
- Julian Lofts
- Rian Maercks
- Federico Mayo
- Patricia McGuire
- Alexandre Munhoz
- Paolo Montemurro
- Yoshinori Nagumo
- Mike Nelson
- Johan Nordquist
- Charles Randquist
- Fabrice Rogge
- Sung Soo Park
- Fabio Santanelli di Pompeo
- Michael Schefflan
- Chul-Hwan Seul
- Marcos Sforza
- Michail Sorotos
- Steve Teitelbaum
- Omid Veiseh

# World Symposium on Ergonomic Implants

Scientific Program

## Thursday, September 14<sup>th</sup>

- 09:00**      **Surgeon Registration - Virgilio, Catullo & Carducci Rooms, Grand Hotel Gardone**  
All day from 09:00 to 16:00
- 16:30**      **Boats to Isola del Garda**
- 17:00**      • Welcome  
Speaker: Dr Giovanni Botti
- Patient-Centric Design Thinking  
Speaker: Juan José Chacón
- The Motiva FDA Clinical Trial  
Speaker: Dr Caroline Glicksman
- The Legacy of Dr Scott Spear in Plastic and Reconstructive Surgery  
Speaker: Dr Steve Teitelbaum
- 19:00**      **Gala Dinner**  
Boats return to Grand Hotel Gardone at 22:00 and 23:00

## Friday, September 15<sup>th</sup>

*Educational Sessions - Salone delle Feste, Grand Hotel Gardone*

- 08:30**      **FM1: Surgical Experience with Large Series of Patients with Ergonomix Implants**  
Moderator: Dr Caroline Glicksman
- 08:30    My Motiva Experience: 35 Patients at 7 Years, 1154 Patients over 7 Years  
Speaker: Dr Manuel Chacón
- 08:40    3 Years Experience with over 12000 Implants in the UK  
Speaker: Dr Marcos Sforza
- 08:50    4 Years Experience with Ergonomix Implants

# World Symposium on Ergonomic Implants

Scientific Program

- 09:00 Speaker: Dr Giovanni Botti  
My 2 Year Data & Experience with Motiva Breast Implants  
Speaker: Dr Charles Randquist
- 09:10 Q&A Session
- 09:30 FM2: Advanced Augmentation Techniques with Ergonomix Implants**  
Moderator: Dr Chiara Botti
- 09:30 How to use Ergonomix Implants in Difficult Cases  
Speaker: Dr Giovanni Botti
- 09:40 My 17 Years Experience with Transaxillary Endoscopic Breast Augmentation  
Speaker: Dr Johan Nordquist
- 09:50 Advanced Augmentation Techniques  
Speaker: Dr Paolo Montemurro
- 10:00 Optimizing Position and Shape in Breast Augmentation  
Speaker: Dr Dennis Hammond
- 10:10 Q&A Session
- 10:30 Coffee Break**
- 11:00 FM3v: Video-Surgery Session MotivaHybrid**  
Moderator: Dr Michael Scheffan
- 11:00 Hybrid Breast Surgery : The Next Generation Technique in Breast Augmentation and Reconstruction?  
Speaker: Dr Alexandre Munhoz
- 11:15 Composite Breast Augmentation - A Spectrum of Implant and Fat Ratios  
Speaker: Dr Daniel Del Vecchio
- 11:30 Hybrid Breast Augmentation with Minimal Scars  
Speaker: Dr Sung Soo Park
- 11:40 MotivaHybrid from Concept to Standard

# World Symposium on Ergonomic Implants

Scientific Program

Speaker: Dr Marcos Sforza

12:00 Q&A Session

**12:10 FI4: Innovation Session Motiva Anatomical TrueFixation**

Moderator: Dr Radu Ionescu

12:10 Introduction to TrueFixation Concept

Speaker: Dr Federico Mayo

12:30 Q&A Session

**12:40 Lunch**

**13:45 FC5: Challenge - Etiology Of BIA - ALCL**

Moderator: Dr Fabio Santanelli

13:45 An overview of the BIA-ALCL

Speaker: Dr Fabio Santanelli

13:55 Analysis of the high incidence of BIA-ALCL in Australia  
& New Zealand

Speaker: Dr Julian Lofts

14:05 Activation of Immune System Following Silicone  
Exposure

Speaker: Dr Michail Sorotos

14:15 Silicone Debris and Particles as Trigger

Speaker: Dr Dennis Hammond

14:25 Importance of Biofilm in the Etiopathogenesis of BIA -  
ALCL

Speaker: Dr Brian Kinney

14:35 BIA-ALCL: The Missing Link

Speaker: Dr Marcos Sforza

14:45 Q&A Session

**15:00 Coffee Break**

# World Symposium on Ergonomic Implants

Scientific Program

- 15:30**      **FI6: Innovation - Understanding Breast Implant Biocompatibility**  
Moderator: Dr Brian Kinney
- 15:30      Next Generation Biocompatible Implants: Understanding Silicone Surfaces with Novel Cell-Friendly Topographies  
Speaker: Dr Ardeshir Bayat
- 15:50      Overcoming Host Rejection Response to Improve Breast Implant Biocompatibility  
Speaker: Dr Josh Doloff
- 16:05      Q&A Session
- 16:15**      **FM7: Practice Management**  
Moderator: Dr Charles Randquist
- 16:15      Motiva Imagine as a Revenue Creator for Plastic Surgeons  
Speaker: Dr Manuel Chacón
- 16:35      Why Breast Augmentations are Less Profitable Today  
Speaker: Dr Charles Randquist
- 16:55      Q&A Session
- 19:00**      **Motiva Gala Fiordaliso**

## Saturday, September 16<sup>th</sup>

*Educational Sessions - Salone delle Feste, Grand Hotel Gardone*

- 08:15**      **SM8: Complication Management**  
Moderator: Dr Nimrod Friedman
- 08:15      Anticipating and Managing the Unhappy Patient  
Speaker: Dr Steve Teitelbaum
- 08:25      Implant Displacements Treatment  
Speaker: Dr Giovanni Botti

# World Symposium on Ergonomic Implants

## Scientific Program

- 08:45 Management of Capsular Contracture Using Ergonomic Implants  
Speaker: Dr Dennis Hammond
- 08:55 Surgical Tricks & Tips for a New Breed of Implants: Motiva Egonomix  
Speaker: Dr Radu Ionescu
- 09:05 How to Select the Appropriate Ergonomix Implant in Primary and Secondary Cases  
Speaker: Dr Per Hedén
- 09:15 Use of Ergonomix in Secondary Surgery  
Speaker: Dr Chul-Hwan Seul
- 09:25 Q&A Session
- 09:35 S19: Innovation with Ergonomix Implants**  
Moderator: Dr Ardeshir Bayat
- 09:35 Biomaterials  
Speaker: Dr Omid Veisesh
- 09:45 Biosensors  
Speaker: Randy Geissler
- 09:55 Breast Implant Imaging with RFID Technologies  
Speaker: Dr Mike Nelson
- 10:05 Q&A Session
- 10:15 Coffee Break**
- 10:45 SM10: Innovation - Minimally Invasive Surgery with Ergonomix Implants**  
Moderator: Dr Johan Nordquist
- 10:45 Advantages of using Ergonomic Implants in Transaxillary Breast Augmentation  
Speaker: Dr Fabrice Rogge

# World Symposium on Ergonomic Implants

## Scientific Program

10:55 Subfascial Transaxillary Breast Augmentation with Ergonomix Implants: The Concept of Minimal Invasive and Scarless Surgery  
Speaker: Dr Alexandre Munhoz

11:05 Sub-Glandular Augmentation Mammoplasty with Echo-Guided Tumescent Procedure  
Speaker: Dr Yoshinori Nagumo

11:15 Extended Fascial Preserving Subfascial Breast Augmentation and Revision Without Electrocautery  
Speaker: Dr Rian Maercks

11:25 Q&A Session

### 11:35 **SM11: Mastopexy with Ergonomix Implants**

Moderator: Dr Fabrice Rogge

11:35 Mastopexy With Ergonomix Implants: A Good Choice?  
Speaker: Dr Chiara Botti

11:45 Tips & Tricks for Surgical Rejuvenation of the Breast with Ergonomix Implants  
Speaker: Dr Federico Mayo

11:55 Dual Plane Mastoplasty Lower Pole Volume Re-definition: The Role of Ergonomix Implants in Ptotic Breast  
Speaker: Dr Alessandro Gualdi

12:05 Preoperative Planning and Surgical Technique in Mastopexy Augmentation with Ergonomix implants  
Speaker: Dr Per Hedén

12:15 Q&A Session

12:30 **Lunch**

### 13:30 **SC12: Challenge - Ergonomy vs Shape**

Referee: Dr Federico Mayo

*White Team: Dr Giovanni Botti & Purple Team: Dr Per Hedén*

# World Symposium on Ergonomic Implants

## Scientific Program

13:30 Challenge

13:35 Case 1

13:45 Case 2

13:55 Audience Votes

**14:00 SM13: Breast Reconstruction**  
Moderator: Dr Dennis Hammond

14:00 Implant-Based Breast Reconstruction with Ergonomix Implants: A 3-year Report  
Speaker: Dr Yves Harder

14:10 Unilateral and Bilateral, Immediate Implant Based/ ADM Breast Reconstruction with Ergonomix Implants – An Early Report  
Speaker: Dr Michael Schefflan

14:20 A Personal Reflection on Breast Reconstruction Choices  
Speaker: Dr Niamh Corduff

14:30 Q&A Session

**14:30 SD14: Debate - Best Practices in Breast Surgery**  
Referee: Dr Brian Kinney

*White Team: Dr Marcos Sforza & Purple Team: Dr Patricia McGuire*

14:45 Challenge

14:50 Debate

15:10 Audience Votes

**15:15 Champagne Closing Reception - Grand Hotel Gardone**
